TOWN OF KENTLAND NOTES TO FINANCIAL INFORMATION

Note 1. Introduction

The Town was established under the laws of the State of Indiana. The Town provides the following services: public safety, health and social services, culture and recreation, and general administrative services.

Note 2. Fund Accounting

The Town uses funds to report on its cash and investments and the results of its operations on a cash basis. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions or activities.

Note 3. Budgets

The operating budget is initially prepared and approved at the local level. In addition, funds for which property taxes are levied are subject to final approval by the Indiana Department of Local Government Finance.

Note 4. Property Taxes

Property taxes levied are collected by the County Treasurer and are distributed to the Town in June and December. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100% of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which become delinquent if not paid by May 10 and November 10, respectively. All property taxes collected by the County Treasurer and available for distribution were distributed to the Town on or prior to December 31 of the year collected.

Note 5. Deposits and Investments

Deposits, made in accordance with Indiana Code 5-13, with financial institutions in the State of Indiana at year end were entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statute (IC 5-13-9) authorizes the Town to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

Note 6. Subsequent Event

The Town was awarded a Community Focus Fund grant for \$525,000 on behalf of the Kentland-Jefferson Township Public Library (Library). The Library is planning an expansion and remodeling project which is expected to total approximately \$1,300,000. The additional funding for the project is expected to be taken care of through a general obligation bond issued by the Library.

TOWN OF KENTLAND SUPPLEMENTARY INFORMATION SCHEDULE OF LONG-TERM DEBT December 31, 2007

The Town has entered into the following debt:

Description of Debt	Ending Principal Balance		Principal and Interest Due Within One Year	
Governmental Activities: Notes and loans payable	\$	50,000	\$	52,625
Business-type Activities: Wastewater Utility Notes and loans payable	\$	433,000	\$	138,464

TOWN OF KENTLAND EXAMINATION RESULT AND COMMENT

CAPITAL ASSET RECORDS

The Town and its' Utilities do not maintain detailed records of capital assets. Purchases and deletions or disposals of capital assets are not recorded.

Every governmental unit should have a complete inventory of all capital assets owned which reflect their acquisition value. Such inventory should be recorded in the Capital Assets Ledger. A complete inventory should be taken every year for good internal control and for verifying account balances carried in the accounting records. (Accounting and Uniform Compliance Guidelines Manual for Cities and Towns, Chapter 7)
